

The Alberta Catholic School Trustees' Association represents Catholic trustees in Alberta, Northwest Territories and Yukon.

We Believe...

Catholic education recognizes that parents have the primary right to educate their children in conformity with the family's moral and religious conviction. Catholic schools are an extension of the home and work in cooperation with the Catholic church to provide an integrated approach to faith and learning.

Catholic education is Christ centered education. The development of the child is rooted within the context of a deepening relationship with Jesus Christ. Within the Catholic school students learn Jesus' message of love, faith, and hope. Jesus Christ, as role model for all members of the school community, inspires relationships rooted in tenets of the faith.
